

2019 CONFESSION

This is The Year Of Abundant Harvest. This is the season for a plentiful harvest. A season of reaping and gathering! It is the proper season for business. A Manifestation Year in both the spiritual and physical realm.

There is a season for every seed planted. Father we know you never forget a seed that has been planted. Holy Spirit tell us the time of our harvest.

This is the Year of Marvels, Wonders, and Extraordinary Manifestations of the Greatness Of Our God. Father you are a covenant keeping God and you will not alter the thing that has gone out of Your mouth.

As your family:

We are hungry for an awakening,

We are hungry for a revival,

We are hungry for an outpouring,

We are hungry for a major move of the Holy Ghost.

We take the limits off of you, you are the God of Marvels, You are the God of wonders and you are the God of extraordinary manifestations of your great power.

You are the God of miracle surprises, surprise us today we are open to it! We are expectant, we expect it in our heart not just for something to happen to us but that something happen through us and around us and because of us.

Jesus You Got Your Church back.

Show me Your Glory.
